#### ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Fairbury Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the Fairbury Housing Authority:

To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

We have also adopted the following goals and objectives for the next five years.

To manage Fairbury Housing Authority's existing public housing program in an efficient and effective manner, thereby qualifying as at least a standard performer.

Fairbury Housing Authority shall promote a motivating work environment with a capable and efficient team of employees to operate as a customer-friendly and fiscally prudent leader in the affordable housing industry.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We have established a minimum rent of \$25.
- We have established ceiling rents, which are also the Flat Rents.

In summary, we are on course to improve the condition of affordable housing in Fairbury.
